

# CATALOG INFORMATION & OFFICIAL VERSION

---

CSU Pueblo's academic catalog is maintained as an online publication (effective academic year 2021-2022). The online catalog is the official version of record and will be used for catalog-related questions, interpretations, and decisions.

Printed or downloaded copies of the catalog may not reflect updates, corrections, or approved changes made after the copy was produced. Students, faculty, staff, and other users should refer to the online catalog for the most current and official catalog information.
