

IMMUNIZATION REQUIREMENT

Colorado Law 6CCR 1009-2 requires all college students born since January 1, 1957 to be immunized against measles, mumps and rubella (MMR)

Proof of Immunity consists of:

- Measles- one dose of live attenuated measles vaccine administered no sooner than four days before the first birthday and a second dose at least four weeks after the 1st dose. Or a blood test showing immunity to measles.
- Mumps- one dose of live attenuated mumps vaccine administered no sooner than four days before the first birthday and a second dose administered at least four weeks after the 1st dose. Or a blood test showing immunity to mumps.
- Rubella- one dose of live attenuated vaccine administered no sooner than four days before the first birthday and a second dose administered at least four week after the 1st dose. Or a blood test showing immunity to rubella.

Medical or Non-medical Exemption:

- Medical or Non-medical exemptions are available. The medical and non-medical exemption statement, must be completed on the waiver certificate by a physician, nurse practitioner, physician's assistant, student or a parent if the student is under the age of 18. In the event of an outbreak of measles, mumps or rubella, exempted students may be subject to exclusion from school and quarantine.

Student vaccine requirements are subject to change and will be reflected on the immunization information page of our Wolfpack

Wellness Center: <https://www.csupueblo.edu/student-health-services/immunization-and-screening.html>

MMR immunization, proof of immunity or medical/non-medical waiver must be filled out on the Wolfpack Wellness Center web portal at www.csupueblo.studenthealthportal.com. Documents may also be uploaded on the web portal. To access the web portal, the student will use their pack email user name and password.

For any questions, please contact the Wolfpack Wellness Center at 719 549-2830.
