## Admission Standards

Colorado State University Pueblo's admission process is designed to promote diversity within the student population and to assure equal access to qualified applicants. CSU Pueblo is a moderately selective institution, and is committed to providing access to a 4-year college degree to any student who is academically prepared. The final admission decision is based on the applicant's potential for attaining a degree at the University. Standards for each student type may be found under their respective sections.

*NOTE: Acceptance by the University does not necessarily mean acceptance into a particular degree program, some of which have admission requirements beyond those of the University. Additionally, some students may be required to take academic skill building and/or success courses as conditions of their admission.*

## Application Deadlines

For the best scholarship opportunities, registration time, and housing considerations, applicants should apply and be admitted as early as possible. Those still in high school may apply once they have completed six semesters. To be considered for a specific term, all documents required for admission must be received in the Office of Admissions by the deadline for that term. Transfer students should allow sufficient time to have official transcripts sent from all institutions previously attended.

Application forms and credentials must be filed by the following deadlines:

Semester	Date
Fall Semester	August 1
Spring Semester	January 2

## Enrollment Deposit

New degree-seeking students are required to pay an enrollment deposit prior to registering for their first semester of classes at CSU Pueblo. If a student pays and decides not to attend one semester, but attends another, a previously-paid deposit will be honored for one calendar year. Online, correspondence, and readmit/returning students are exempt from paying the enrollment deposit.

Students should contact the Office of Admissions for questions regarding the deposit.
