

COURSE DESCRIPTION INFORMATION

Colorado State University Pueblo does not offer all of the courses listed in this catalog every semester or every year. All courses are offered as needed (AN) unless otherwise stated.

In addition, each semester the University creates an on-line course offering list detailing the schedule of courses. This includes but is not limited to courses offered, course description, times and places of instruction, instructors, learning modality, course level, grade mode, etc. Courses listed in the course offerings are subject to change.

The University reserves the right to cancel courses not selected by an adequate number of students or not suitably staffed by qualified faculty.
