

# HEALTH EDUCATION & PROMOTION (HEP) PROGRAM

---

Our mission is to provide promotion education, healthy living, and learning opportunities in order to sustain a wellness-focused environment that further develops academics and success for students of Colorado State University Pueblo. The Health Education and Promotion (HEP) Program works with individual students, small groups and the campus/community to provide individually tailored, evidence-based prevention education and behavioral interventions.

Individual students can receive a free assessment, access to free educational/behavioral interventions, and referral to additional options on and off campus. Some students may be mandated to complete an assessment and educational intervention track as a result of violating the Alcohol and Other Drug Policy. To schedule an appointment with the Assistant Director of Health Education and Promotion (HEP) Program, call (719) 549-2121.

Group presentations are available for student clubs, organizations, residence hall communities, fraternities, sororities, classrooms, and other workgroups.

## Drug Free Schools & Communities Act (DFSCA)

CSU Pueblo maintains compliance with the Drug Free Schools and Communities Act regulations. The unlawful possession, use, or distribution of illicit drugs is prohibited. Students, faculty, or staff found in violation of campus policies will face disciplinary sanctions.
