

PARENT & FAMILY PROGRAMS/ORIENTATION

We value our Pack Family members and know that you provide a very important role in the success of your college student. It's important to us that families understand ways they can support their student throughout their college experience. In conjunction with New Student Orientation, we will offer special online programs for family members to learn about available resources and services for students. Parent and Family Orientation is your opportunity to become familiar with all things CSU Pueblo as you support your student through their transition. You will virtually interact with the faculty and staff behind the services and resources that will play an important role in your student's CSU Pueblo experience. You will also receive valuable tips about what it means to be a CSU Pueblo Family member and the ways that you can be most helpful to your student during this transition and beyond.

Specific orientation requirements are posted on the website:
