

RESIDENCE LIFE & HOUSING

Live, learn, and enjoy the opportunities of a lifetime in campus housing. Living on campus can be an enriching experience and a great way to ensure success.

The residence halls are home to more than 750 students. The University Residence Life and Housing Office is located in the Occhiato Student Center in Suite 201. Each hall has a front desk and staff dedicated to the building.

Most of the residence hall rooms are designed for two people living in double rooms with a shared bathroom. All of the rooms come with an extra-long twin bed, dresser, desk, and desk chair for each individual. Rooms will also include a microfridge in each room. Rooms have cable and internet access—either Ethernet or wireless as routers are not permitted within the Residence Halls.

Application Information

A \$150 non-refundable application fee must accompany each application. Housing contracts are issued for the entire academic year and must include a meal plan for students living in the residence halls.

Live-On Requirement

CSU Pueblo requires all newly admitted First Year and Transfer students, under 21 years of age, with a home address outside a 50 mile radius to the university, who graduated high school or the equivalent in the preceding academic year to live on campus for two academic years (four complete academic semesters, excluding summer).

All newly admitted First Year, Transfer, and Returning students, under 21 years of age, with a home address outside a 50 mile radius to the university, who graduated high school or the equivalent two academic years prior are required to live on campus for one academic year (two complete academic semesters, excluding summer). *For example, if a student graduated high school in the 2019/2020 academic year, the student is required to live on campus for the 2020/2021 and 2021/2022 academic years. If that same student who graduated in Spring of 2020, transferred in for Fall of 2020, they would only be held to one academic year on campus.*

Students who meet one or more of the following criteria may request an exemption to the two-year live-on requirement. The exemption criteria include but is not limited to:

1. Student will commute from their parent's or guardian's home within a 50 mile radius.
2. Student has lived on campus for the equivalent of two full academic years at another University before transferring to CSU Pueblo. *Students who transfer into CSU Pueblo with only one year of live-on experience at their previous institution will only need to live on campus at CSU Pueblo for one year.*
3. Student is 21 years of age or older prior to the start of the fall semester.
4. Student is married and/or has a dependent child.
5. Student is enrolled in less than twelve credit hours or taking all online classes.
6. Student is a member of the United States military who has served for one year or more.
7. Student is exempted for medical reasons.

Students seeking an exemption from the live-on requirement for housing must complete a Housing Exemption Form and receive approval. Residence Life and Housing staff will determine if an exemption to the live-on requirement will be granted and students will be notified of the committee's decision.

All residential students are required to have a meal plan. Students failing to meet these requirements will be assigned housing and will be assessed the costs of the housing rate assigned and board charges.

Residence Hall Association

Residence Hall Association (RHA) is a student organization within the residence halls with a focus on student programming. Being involved in RHA can be as easy as being a floor representative in your hall. Each hall has a hall council which works with the executive board of RHA to do programming for all halls. Being in RHA also allows the opportunity to attend regional and national conferences and the ability to network with other students across the nation. Involvement in RHA is a good opportunity for students to build networking and leadership skills on campus while being a part of the residence life experience.
