

STUDENT INVOLVEMENT & ORGANIZATIONS

Student Leadership

Leadership programs at CSU Pueblo strive to help plan and organize comprehensive leadership development programs that are designed to enhance the total learning experience for our students. Leadership Programs evaluate student needs and implements programs and activities that facilitate the learning, growth, and development of students and fosters leadership, civic engagement, and sense of community. Through leadership education, service learning and advocacy, students will become active citizens on campus, in their respective communities, and in the workplace. The Student Leadership Program is comprised of the National Society of Leadership and Success (NSLS), the Student Leadership Experience, and other Leadership Workshops held throughout the academic year.

Student Organizations

CSU Pueblo students have opportunities to take part in the activities of a number of student organizations. Students can search for student organizations and join them virtually through <https://csupueblo.campuslabs.com/engage/>. Students interested in starting a new recognized student organization must first find a faculty or staff member willing to advise the organization, four other CSU Pueblo students to serve as offices interested in the same group, and develop a student organization mission statement and constitution. All students then must meet with the Office of Student Engagement and Leadership to complete the process. For information, please contact the Office of Student Engagement and Leadership at (719) 549-2151.

For a current list of student organizations, please visit the Student Organization website at <https://csupueblo.campuslabs.com/engage/>.

Academic Organizations

- American Society of Mechanical Engineers
