## Outcomes Assessment Activities

- The Hasan School of Business is committed to continuous improvement through a rigorous assessment program focused on measuring learning outcomes and implementing measures to enhance students' chances of success. Within each individual course, faculty members utilize a variety of assessment techniques including student presentations, projects, peer evaluations, examinations, and student surveys.
- The Educational Testing Service (ETS) Major Field Test in Business, administered nationwide, assesses what students have learned primarily in courses common to all business majors. Results are compared with those of other business students enrolled at selected peer institutions.
- Exams, papers, presentations, and projects are course-embedded measures that can be used to assess student performance related to our MBA learning goals.
