## **VISION, MISSION, VALUES**

Colorado State University Pueblo was established by state law:

There is hereby established a University at Pueblo, to be known as Colorado State University Pueblo, which shall be a regional, comprehensive university with moderately selective admissions standards. The University shall offer a broad array of baccalaureate programs with a strong professional focus and a firm grounding in the liberal arts and sciences. The University shall also offer a limited number of graduate programs. (Colorado Statutes 23-31.5-101)

In 2018, the University adopted a new vision and mission, Vision 2028 (https://www.csupueblo.edu/vision2028/), one that honors the city it is located in and reclaims a label once used to describe regional comprehensive universities. The University's new vision recommits it to people and community, which reflects its DNA and provides an opportunity to re-imagine what a university and community can accomplish together. This statement further articulates the campus mission and strategic goals.
