

NURSING: ADULT/ GERONTOLOGY ACUTE CARE NURSE PRACTITIONER CONCENTRATION, DOCTOR OF NURSING PRACTICE

AGACNP

This program prepares students to provide evidence-based, safe, quality patient-centered care in a variety of chronic, acute, and emergent care settings. The graduate will be eligible to take the Adult/Gerontology Acute Care Nurse Practitioner certification examination.

Some states require a specific master's degree to practice as a nurse practitioner; therefore, a concurrent Master of Science with a major in Nursing will be awarded with completion of the DNP.

The School of Nursing also offers the post graduate certificate for DNP-prepared nurses. The plan of study is individualized based on academic completion and requirements using a gap analysis evaluation.

School of Nursing Mission

The mission of the School of Nursing is to prepare graduates for professional positions as safe, competent, and caring nurses to meet the health care needs of diverse populations.

Acceptance of Transfer Credits

Transfer credit will be awarded per the published Graduate Programs section of the University catalog. A maximum of nine semester hours of transfer credits from an accredited institution may be applied to the degree with approval from the graduate nursing program director.

Time Limits

Courses completed 6 or more years before the date of graduation will not be accepted as satisfying graduation requirements without the approval by the graduate nursing program director.

Specific Admission Requirements

Students are responsible for following all admission policies and procedures as outlined in the Graduate Studies section of the University catalog.

1. Complete application to the nursing program.
2. Proof of active, unrestricted Colorado or Colorado Nursing Compact State Registered Nurse license for all MS and MS-DNP emphasis options or by the end of the first semester for the BSN-DNP emphases options).
3. Bachelor's degree in Nursing from an accredited university with a 3.0 GPA, or higher (MS, BSN-DNP and associate post-masters certificate options).
4. All prerequisites must be passed with a C or better (C- is not acceptable) including statistics, microbiology and chemistry. Students receiving a grade less than C in a nursing prerequisite course are not eligible for admission.

MS-DNP Program and associated post-masters certificate options. Master's degree in Nursing from an accredited university with a 3.0 GPA or higher is required.

Program Outcomes

1. Eighty percent of graduates will:
 - Express satisfaction with the program
 - Pass national certification exam the first time
 - Be employed in role-related professional practice within six months to one year
2. Seventy percent of graduates will complete their program on-time starting from enrollment day one of the first class of their nursing option.
3. Eighty percent of employers' will express satisfaction with graduates' job performance.

DNP Graduate Student Learning Outcomes

At the completion of this program, graduates will be able to:

1. Integrate evidence-based practice, ethical decision making and technology into advanced nursing practice
2. Conduct scholarly inquiry to influence health outcomes of individuals, aggregates and populations
3. Organize interprofessional collaboration to provide safe, quality patient-centered care.
4. Assume a leadership role in transforming health care systems, policies and standards of care
