

ART & CREATIVE MEDIA: ART HISTORY CONCENTRATION, BACHELOR OF ARTS

The Bachelor of Arts in Art History challenges students to examine art and architecture throughout the world and to become familiar with diverse cultures, religions, and perspectives. Art history courses investigate political, economic, and cultural factors in artistic production and reception. In addition to art history courses encompassing a variety of time periods, geographic regions, and theoretical frameworks, the degree includes studio art courses that provide experience with artmaking and courses in related fields, such as history and museum studies. The BA in Art History fosters skills that lend themselves to a variety of career paths and fields of graduate study.
