## Center for the Study of Homeland Security

The Political Science Program administers the Center for the Study of Homeland Security (CSHS), which offers a certificate in Homeland Security Studies and a Minor in Homeland Security for degree-seeking students.

The certificate in Homeland Security provides students with an opportunity for introductory level study of real world political and public policy issues involved in prevention and response to natural and man-made disasters and events. The program is directed at creation and enhancement of pre-professional knowledge and skills, which are immediately transferable to related career fields in government and industry.
